

Press Release

ST. PETE BEACH, FL (April 3, 2018) – Medtegrity Healthcare Linen and Uniform Services has partnered with CNECT, a national group purchasing organization, in a service provider relationship to offer CNECT members the best value on rental linen, garments, EVS products, mops, mats, terry products, towels and micro-fiber products for their facilities across the country.

As the largest network of HLAC Accredited Laundry Services and TRSA Hygienically Clean Healthcare Laundries, Medtegrity understands the importance of maintaining the highest professionally recognized standards for patient safety and infection protection in healthcare laundry, and are looking forward to our new relationship with CNECT to reflect this vision of excellence.

ABOUT CNECT: CNECT is a national group purchasing organization (GPO) that allows its members to access discounts and services specifically designed to enhance their financial strength. Through dedicated support, detailed analytics, individualized program development and training opportunities, CNECT ensures members realize the total value proposition of their GPO relationship. Founded in 1979, CNECT continues to serve as a trusted partner and valued resource to members of all classes of trade, including healthcare, social service and education. Through CNECT's affiliation with Premier, Inc., a leading healthcare improvement company that operates one of the nation's largest group purchasing organizations, members have access to a comprehensive savings portfolio that includes thousands of contracts covering all aspects of purchasing.

ABOUT MEDTEGRITY: MEDTegrity is a national network of independently owned medical laundry facilities that provides linen and uniform rental services to the healthcare industry. We're the largest independent network of accredited laundry facilities in the U.S., serving thousands of facilities daily. Whether your business needs surgical gowns, lab coats, sheets, surgical towels, bath towels or patient gowns, MEDTegrity can supply and service everything from a single facility to a national GPO.
