## Heavy Duty, Rapid Deploy Medical Tents Ideal for COVID-19 Screening, Containment, Drive-Thru Testing & More

With the rapid spread of COVID-19, we know there's going to be a strain on our healthcare system, similar to what other countries are facing. Portable testing, drive-thru screening and containment tents can help take the burden off of hospital systems while increasing safety, capacity for testing and care.

**Our current 2-3 day turnaround time** can help your team stay prepared as things progress.

Below, you'll find examples of medical testing and screening tents that we can produce quickly. We're on standby and ready to help out in any way that we can!

## Heavy Duty Framework, Easy Set-Up & Transport, Footplates for Securing & Accessories for Medical & Hospital Testing & Screening

These fully enclosed medical & hospital pop-up tent solutions set up in minutes and are available in a number of sizes including: 5X5, 5X10, 10X10, 13X13, 10X15, 15X15, 10X20, 13X20, 15X20 and 13X26.

Dedicated to Providing Quality Equipment, Logistics & Services to Healthcare
