

ReadyRefresh®

Stay Healthy. Stay Safe.
Stay Hydrated.

To help ensure you stay hydrated during this time, we have partnered with ReadyRefresh® by Nestlé® to extend a special offer for bottled water delivery service to your home.

When you sign-up for recurring service, each of your first **THREE DELIVERIES** will include:*

- SAVINGS of 30% off, up to \$30
- FREE Delivery
- BONUS case of regional spring water (24 count of 0.5 liter bottles)

With contactless delivery, ReadyRefresh® will help ensure you and your family have healthy hydration on hand and delivered right to your door.

Don't forget to add bonus case to your cart before check out!

*Introductory offer good for new residential customers only, upon credit approval who select recurring delivery frequency. Cannot be combined with other offers. New customers who sign up for recurring home delivery service under this offer and use the coupon code set forth in the above offer at the time of first order will (a) receive an account credit up to \$30 on each of their first three orders, (b) not be charged a delivery fee/fuel surcharge on each of their first three deliveries and (c) receive a free case of 24 0.5-liter bottles of the regional spring water of ReadyRefresh® by Nestlé's choice with each of Customer's first three deliveries. Not redeemable for cash. LIMIT: one account credit and three free cases per Customer account. Customer must pay for the additional products ordered and is responsible for all sales tax, CRV and applicable bottle deposits. Minimum order \$20 before discount. New customers do not include any customers who have had a delivery through ReadyRefresh® by Nestlé® in the past twelve (12) months. Prices and products subject to change at any time without notice and vary by location. Offer expires by 8/31/2020 and delivery must occur by 9/30/2020. ©2020 Nestlé Waters North America Inc.
