EXCEPTIONAL VALUE

Premier is pleased to announce a group buy with [TouchSource LLC](#) from August 1, 2020, through December 31, 2020. This opportunity offers significant savings on [Taos Wellness Kiosk](#) and [Pantella Surface Mounted Digital Wall Display](#). Members can **save up to 10 percent** off top tier pricing, but only for a limited time!

PRODUCT DETAILS

The TouchSource Taos Wellness Kiosk combines robust digital directory software with a complete wellness package including, infrared temperature sensing and contactless hand sanitizer. Options to display contactless yet interactive digital directory, wayfinding and safety messaging. This turnkey solution is an addition to any lobby or entrance as buildings and public spaces re-open after the pandemic.

The TouchSource Pantella wall-mounted digital directory display is an architecturally-finished enclosure with proprietary commercial-grade engineering so that the display securely stands the test of time. Contactless interactivity moves directory and safety information to a visitor's mobile device via a QR code. Perfect for displaying directories, latest CDC guidelines, safety protocols, as well as, a full array of interactive wayfinding and digital content.
