

# Premier Contracted Offerings

Below is a listing of group purchasing categories available through Premier. Categories are shown as they are sourced by Premier. For additional information related to these categories, see [Premier's Portfolio Books](#) in the Supply Chain News community, which provides a view of supplier offerings in a particular area of focus. Executive summaries for each contract category include awarded suppliers, category descriptions of included products and services, supplier contacts, operational details and links to launch resources.

Last updated March 19, 2024

Nursing Services	
<b>Active Humidification Devices and Accessories</b> <b>Expires August 31, 2026</b>  This category includes active humidification devices (heaters), heated wire circuits, chambers, blenders, water and high flow disposables that are proprietary to these devices.  Awarded suppliers: Fisher & Paykel, Flexicare, Masimo, Medline, Sensimedical, Vapotherm, Vyair	<b>Adhesive Skin Closures</b> <b>Expires January 31, 2026</b>  This category includes adhesive tape-like strips for use in supporting the closure of a skin wound/laceration.  Awarded suppliers: 3M
<b>Adult and Pediatric Exam Table Paper and Related Products</b> <b>Expires June 30, 2026</b>  This category includes exam table paper, drape sheets, exam gowns/ shorts/bibs/capes, head rest rolls, pediatric scale barriers, head protection, pillowcases, blood pressure cuff barriers, equipment drapes and towels.  Awarded suppliers: Graham Medical, TIDI	<b>Airway Clearance Products</b> <b>Expires April 30, 2027</b>  This category includes airway clearance devices used to clear the airways of mucus to improve breathing and prevent respiratory diseases. Products include intrapulmonary percussive ventilator (IPV) devices, mechanical insufflation-exsufflation devices and high-frequency chest wall oscillation (HFCWO) devices.  Awarded suppliers: Hillrom, RespirTech
<b>Anti-Infection Site Dressings</b> <b>Expires July 31, 2026</b>  This category includes dressing products which have been impregnated with antimicrobial agents such as chlorhexidine gluconate (CHG) or silver specifically designed to reduce infection at venous, arterial, percutaneous or non-vascular access sites.  Awarded suppliers: Cura Surgical, DeRoyal, J&J	<b>Aquapheresis Therapy Products</b> <b>Expires May 31, 2024</b>  This category includes products and accessories used for continuous ultrafiltration for temporary or extended use for patients with fluid overload.  Awarded suppliers: Nuwellis
<b>Arterial Blood Gas Kits</b> <b>Expires May 31, 2024</b>  This category includes products packaged in kits used by healthcare workers to obtain arterial blood samples to determine the concentration of oxygen, carbon dioxide and bicarbonate, as well as pH, in the blood.  Awarded suppliers: Smiths Medical	<b>Auditory and Visual Exam Diagnostics and Systems</b> <b>Expires April 30, 2026</b>  This category includes capital and small equipment, disposables, warranties, training and other related items used to perform a comprehensive auditory and visual exam in acute and non-acute settings for screening of all ages from newborn to geriatric. Products include ophthalmic sets, otoscope sets, portable diagnostic sets and diagnostic wall sets/systems.  Awarded suppliers: Bionix, Welch Allyn
<b>Autologous Cell Therapies and Delivery Systems</b> <b>Expires February 28, 2025</b>  This category includes products or devices to harvest or process autologous blood, human cellular or tissue that are used in the treatment of surgical, chronic and traumatic wounds.  Awarded suppliers: Avita, RedDress	<b>Baby Products</b> <b>Expires June 30, 2026</b>  This category includes hair and skin care items such as baby lotions, ointments, baby washes, baby shampoo, baby powder, cornstarch, baby combs/brushes, baby nail clippers, and supplies designed for pediatric patients.  Awarded suppliers: Johnson & Johnson, Owens & Minor

# Premier Contracted Offerings

**Bandages, Dressings and Gauze****Expires October 31, 2025**

This category includes adhesive bandages, abdominal (ABD) pads, cotton balls, cotton-tipped applicators, prep sponges, elastic bandages, gauze pads, rolls, sponges and covers, non-adherent dressings, tubular dressings and alcohol prep pads.

Awarded suppliers: Cardinal Health, Medi-Tech, Owens & Minor, Tetra Medical

**Blood Pressure Cuffs and Accessories****Expires May 31, 2024**

This category includes sphygmomanometer (blood pressure) devices, cuffs and replacement accessories.

Awarded suppliers: GE Healthcare, Kerma Medical, Welch Allyn

**Breast Pump Equipment and Accessories****Expires March 31, 2025**

This category includes breast pump equipment and products required for use during the breastfeeding process (e.g. capital equipment, garments, ointments and accessories used during lactating process).

Awarded suppliers: Medela

**Central Venous Access Products****Expires June 30, 2026**

This category includes individual central venous catheters, sheaths, dilators and kits including the access catheters, securement devices and maximum barrier kits.

Awarded suppliers: Bard/BD, Medical Components, Medline, Teleflex

**Chart Paper and Related Products****Expires February 28, 2027**

This category includes medical chart paper for cardiology (ECG), monitoring (fetal and physiological), defibrillator, neurology, pharmacy and lab.

Awarded suppliers: Nissha Medical, Print Media

**Closed Ventilation Suction****Expires February 28, 2025**

This category includes products used in neonate, pediatric and adult patients to aspirate or suction the bronchial tree or trachea with an endotracheal tube (ET) or tracheostomy.

Awarded suppliers: Avanos, Sunset Healthcare

**Cribs, Bassinets, Youth Beds and Related Products****Expires March 31, 2025**

This category includes beds, cribs and bassinets for intensive care units (ICU) and/or general patient use.

Awarded suppliers: Atom, HARD, Novum, Pedigo

**Bladder Scanners****Expires May 31, 2026**

This category includes equipment used as a noninvasive method of assessing bladder volume and other bladder conditions to determine the amount of urine retention or post-void residual urine.

Awarded suppliers: BFLY, Signostics, Verathon

**Bowel Management****Expires March 31, 2026**

This category includes temporary containment devices indicated for bedridden or immobilized, incontinent patients with liquid or semi-liquid stool.

Awarded suppliers: Bard, Consure, ConvaTec

**Catheter Tube Securement and Stabilization Products****Expires August 31, 2026**

This category includes suture-less securement and stabilization products that enable healthcare workers to deliver fluids, medications or to drain bodily fluids.

Awarded suppliers: 3M, Adhezion, BD

**Cerebral and Regional Oximetry Equipment****Expires April 30, 2026**

This category includes equipment that non-invasively measures the regional oxygen saturation in the intra-cranial microvasculature of the brain or the soma. Monitoring is performed in the adult, pediatric, infant and neonatal populations in various clinical settings where the brain or body are at risk of reduced-flow or no-flow ischemic states

Awarded suppliers: Covidien

**Chlorhexidine Gluconate (CHG) Skin Prep Products****Expires July 31, 2026**

This category includes minimum 2% chlorhexidine gluconate (CHG) and 70% isopropyl alcohol (ISA) chemical antiseptic products and solutions, which are used as pre-surgical or interventional procedural scrubs or as a general wound cleanser designed to reduce blood stream infections.

Awarded suppliers: BD, PDI

**Cohesive Bandages****Expires January 31, 2026**

This category includes self-adherent elastic wrap that functions like tape but sticks to itself and not to the skin.

Awarded suppliers: 3M Company, Andover Healthcare, Owens & Minor, S2S Global

**Dialysis Access Catheters****Expires January 31, 2027**

This category includes acute and chronic hemodialysis catheters and peritoneal dialysis catheters, associated kits and accessories.

Awarded suppliers: Bard, BD, Medical Components, Medtronic, Merit Medical, Teleflex

# Premier Contracted Offerings

## Digital Wound Management Systems

**Expires January 31, 2027**

This category includes digital wound management systems that use digital therapies, remote imagery, and data acquisition management systems for measurement, imaging, and documentation through integration of the electronic medical record software to manage and treat patients with acute or chronic wounds thereby delivering clinical and economic benefits to healthcare providers.

Awarded suppliers: Arjo

## Disposable Labor and Delivery Products

**Expires August 31, 2026**

This category includes single use and disposable medical and non-medical supplies required in the care of the mother and infant immediately before and following the birthing process. Items include disposable undergarments, delivery kits for mother and infant, circumcision equipment/supplies, obstetrical (OB) pads, amniotic hooks, baby garments, umbilical cord blood clamps and collection kits and other items required at the time of the delivery and birthing process.

Awarded suppliers: Cardinal Health, DeRoyal, Electro Medical, Kerma Medical, NOW Interactives

## Disposable Vaginal Speculums

**Expires June 30, 2025**

This category includes plastic disposable vaginal speculums and related light systems.

Awarded suppliers: S2S Global, Welch Allyn

## Emergency Medicine Products

**Expires July 31, 2026**

This category includes products used for the medical specialty concerned with caring for undifferentiated, unscheduled patients with illnesses or injuries requiring immediate medical attention. Examples of products included in this category are combat tourniquets, dressings with hemostatic properties, spine boards and response kits.

Awarded suppliers: Teleflex

## Ethnic Hair and Skin Care Products

**Expires May 31, 2026**

This category includes hair, scalp and skin care items such as shampoo, conditioner, scalp treatments, scalp serums, scalp balms, hair and scalp oils, styling aids, body soap, body lotion, face wash, face creams and moisturizers, shower/bath and related supplies. This category also includes patient belonging kits and products designed for oncology and ethnically diverse patients including African Americans, Hispanic Americans, Asian Americans and Native Americans.

Awarded suppliers: Canviy, Strands of Faith

## Disinfection Caps

**Expires August 31, 2025**

This category includes alcohol-based disinfection caps used to disinfect the hub of the valves.

Awarded suppliers: 3M

## Disposable Non-sterile Protective Apparel

**Expires November 30, 2027**

The category includes non-sterile disposable gowns, scrub suits, coveralls, aprons, lab coats and jackets, headgear and shoe covers.

Awarded suppliers: Amd-Ritmed, Cardinal, Encompass, GCB Medical, J2 Medical, Medgluv, Medline, O&M Halyard, S2S Global, Tronex, Welmed

## ECG Electrodes, Cables, Lead Wires and Defibrillator Pads

**Expires March 31, 2027**

This category includes ECG electrodes, ECG associated cables and lead wires and electrophysiology-related defibrillator pads.

Awarded suppliers: 3M, Ambu, Atlantic Trading, Cardinal Health, CONMED, Kerma Medical, TZ Medical

## Enterostomal Therapy Products

**Expires March 31, 2026**

This category includes products used in the treatment of patients with surgically constructed connections between the large and small intestines and between the urinary tract and the skin to permit the removal of gastrointestinal and urinary waste products from the body.

Awarded suppliers: Coloplast, ConvaTec, Hollister

## Exam Gloves

**Expires April 30, 2025**

This category includes non-sterile latex, vinyl, nitrile and polyurethane gloves examination gloves which are routinely used to provide barrier protection and prevent skin and mucous membrane exposure when in contact with blood or other body fluids of any patient and medical-grade sterile gloves not included in surgical exam gloves (for bedside procedures or other point of care procedures requiring sterile gloves).

Awarded suppliers: Ansell, Cardinal, Care Protocol, CaresField, IHC, J2 Medical, Medgluv, Medline, O&M Halyard, Remcoda, S2S Global, Tronex

# Premier Contracted Offerings

**Fall Management Footwear****Expires July 31, 2026**

This category includes slippers that are used on patients in the acute and non-acute facilities to prevent falls. Slippers have skids and treads that are single-sided or dual-sided and can be color-coded.

Awarded suppliers: Encompass, GCB Medical, LSL, Medegen, O&M Halyard, S2S Global, Silverts

**General Urological Products****Expires February 28, 2025**

This category includes Foley catheters, Foley catheter trays, urine meters, drainage bags, urethral trays, irrigation trays, midstream catch kits and pediatric urological products.

Awarded suppliers: Bard, BKG Medical, Coloplast, LSL, Medline, Sage

**High Level Disinfectants****Expires April 30, 2026**

This category includes high-level disinfectant chemicals capable of killing bacteria, viruses and bacterial spores when used in sufficient concentration under suitable conditions and primarily used to disinfect semi-critical items.

Awarded suppliers: Advanced Sterilization Products (ASP), Metrex

**Incontinence Products****Expires July 31, 2026**

This category includes briefs, under pads, wipes, control pads, mesh panties and undergarments used for moderate to severe urinary output and loss of bowel control.

Awarded suppliers: Cardinal Health, GCB Medical, Medi-Tech, Medline, NOW Interactives, Owens & Minor, S2S Global

**Infant Diapers and Related Products****Expires December 31, 2025**

This category includes disposable diapers designed in various sizes ranging from preemie/neonate to youth. Also included are baby wipes designed and utilized specifically for pediatric patients and specialty diapers such as training pants and pull ups.

Awarded suppliers: Kimberly-Clark, Procter & Gamble

**IV Site Management and Accessories****Expires December 31, 2025**

This category includes kits and products used in the maintenance of intravenous (IV) insertion sites (e.g., IV start kits, central line dressing kits, IV catheter securement devices).

Awarded suppliers: Cardinal Health, LSL, Medical Action

**Fetal Monitoring****Expires May 31, 2027**

This category includes equipment that provides continuous bedside monitoring during the antepartum and intrapartum periods to assess the fetal and maternal physiological conditions during the labor process and pregnancy period. Primarily fetal monitoring consists of an electronic monitor that monitors fetal heartbeat and the mother's uterine contractions during childbirth and the related consumables.

Awarded suppliers: AirLife, GE, Philips

**Hemodynamic Monitoring Products and Accessories****Expires June 30, 2026**

This category includes hemodynamic critical care products used to manage, measure and maintain a critically ill patient's cardiac output (CO), cardiac index (CI) and pulmonary artery wage pressures (PAWP), using special indwelling lumen catheters.

Awarded suppliers: Baxter, Edwards, ICU Medical, Retia Medical, Saranas, Teleflex

**Hot and Cold Packs****Expires November 30, 2025**

This category includes heating and cooling items related to the treatment/reduction of pain and swelling due to minor procedures or the maintenance of warmth.

Awarded suppliers: Atlantic Trading, Cardinal, EKLA, O&M Halyard

**Infant Care Capital Equipment****Expires July 31, 2024**

This category includes capital items used for the care of the neonatal, infant and pediatric populations, such as incubators, radiant warmers, transporters, jaundice phototherapy and resuscitators.

Awarded suppliers: Atom, Draeger, Fisher & Paykel, Flexicare, GE, Vyaire

**Intermediate Level Disinfectant Wipes****Expires April 30, 2026**

This category includes intermediate level disinfectant wipes that destroy all vegetative bacteria, including tubercle bacilli, lipid and some nonlipid viruses and fungi, but not bacterial spores. These are used to disinfect patient care areas and equipment in between patient use.

Awarded suppliers: Clorox, Diversey, Ecolab, Metrex, PDI

**IV Therapy Products - Infusion Devices and Device Dedicated Sets****Expires January 31, 2030**

This category includes large volume infusion therapy pumps, intravenous (IV) therapy pain management pumps (specific to narcotics, antibiotics or chemotherapy), IV syringe pumps, IV ambulatory pumps, proprietary tubing and sets and medication management software including adverse drug event tracking and management systems.

Awarded suppliers: B. Braun, Baxter, BD, Fresenius Kabi, ICU Medical

# Premier Contracted Offerings

## **IV Therapy Products - Infusion Sets and Accessories**

**Expires January 31, 2030**

This category includes IV gravity tubing, sets, extension sets without needleless connectors, stopcocks, manifolds, and tubing accessories.

Awarded suppliers: B. Braun, Baxter, BD, Fresenius Kabi, ICU Medical

## **IV Therapy Products - Needleless Connectors**

**Expires January 31, 2030**

This category includes devices designed to allow connection of intravenous sets and catheter hubs without the use of needles. This includes all needleless connectors with and without extension sets attached.

Awarded suppliers: B. Braun, Baxter, BD, Fresenius Kabi, ICU Medical, Linear Health Sciences

## **Labels, Identification Bands and Related Products**

**Expires July 31, 2025**

This category includes department-specific labels, pharmacy labels, color-coded labels, printers, identification (ID) wristbands, adult and pediatric wristbands and software.

Awarded suppliers: Caresfield, IdentiPlus, PDC, Print Media, Shamrock, Typenex, Zebra

## **Negative Pressure Wound Therapy**

**Expires May 31, 2025**

This category includes treatment systems designed to facilitate healing of wounds with negative pressure to the wound site. These systems consist of dressings, an evacuation tube, a collection canister and a vacuum pump.

Awarded suppliers: 3M/KCI

## **Neonatal Specialty Products**

**Expires April 30, 2027**

This category includes catheterization trays, urinary drainage kits, lumbar puncture kits, peripherally-inserted central catheters (PICCs), umbilical artery catheters, needles, blood filters, spikes and other specialty items/equipment designed for use in the neonatal population.

Awarded suppliers: AirLife, Avanos, Cardinal Health, GBUK, Kentec, Medela, NeoChild

## **Non-invasive Ventilators**

**Expires April 30, 2026**

This category includes continuous airway pressure (CPAP) units, bi-level (biPAP) units and their associated proprietary consumables.

Awarded suppliers: Hillrom, Nihon Kohden, Philips, Vyaire

## **IV Therapy Products - IV Fluids, Bag-based Drug Delivery and**

**TPN Macronutrients**

**Expires January 31, 2030**

This category includes intravenous (IV) fluids (small and large volume parenterals), bag-based drug delivery systems and total parenteral nutrition (TPN) macronutrients (amino acids, dextrose and intravenous fat emulsions).

Awarded suppliers: B. Braun, Baxter, BD, Fresenius Kabi, ICU Medical

## **IV Therapy Products - Pharmacy Compounding Equipment and Admixture Supplies**

**Expires January 31, 2030**

This category includes pharmacy capital equipment, total parenteral nutrition (TPN) compounders and accessories, elastomeric pumps, automated filling devices and accessories and pharmacy admixture products and supplies.

Awarded suppliers: B. Braun, Baxter, ICU Medical

## **Mobility Aids**

**Expires July 31, 2024**

This category includes mobility aids designed to assist walking or improve the mobility of people with impairments. Devices include canes, crutches, knee walkers, motorized scooters, walkers and wheelchairs.

Awarded suppliers: Cardinal Health, J2 Medical, Medline, NOW Interactives, S2S Global

## **Neonatal Developmental Products**

**Expires April 30, 2027**

This category includes products designed to assist the developmental growth and reduce the stress of premature infants (e.g., positioners, swaddle cloths, pads and incubator covers).

Awarded suppliers: CHS, DandleLION, Inopro, International Biomedical, Philips

## **Non-invasive Ventilation Disposables**

**Expires April 30, 2026**

This category includes non-proprietary disposables, such as nasal pillows/prongs, oronasal masks, nasal masks, full face masks, helmets and circuits (passive, non-heated) and adapters (pressure line and oxygen connections).

Awarded suppliers: Flexicare, Medline, Philips, Pulmodyne, Vyaire

## **Obstetrical Monitoring Devices**

**Expires August 31, 2026**

This category includes disposable devices which facilitate the real-time computing of efficient criterion suitable for obstetrical monitoring purposes.

Awarded suppliers: Arjo, Cardinal Health, Clinical Innovations, MedGyn

# Premier Contracted Offerings

**Oral Care****Expires July 31, 2025**

This category includes sponge swabs, toothettes, oral care solution, oral suction tips and suction toothbrushes.

Awarded suppliers: Avanos, Medline, Sage

**Orthopedics Cold Therapy Products****Expires November 30, 2024**

This category includes cold therapy units or systems, cold therapy braces with or without compression, cold therapy pads and accessories.

Awarded suppliers: Breg, DJO, EKLA, Ossur, S2S Global/DeRoyal, Solution Matrix

**Patient Beds, Mattresses and Therapeutic Surfaces - Purchase****Expires February 28, 2025**

This category includes frames, mattresses, mattress overlays (egg crates, alternating pressure pads, low air loss and static air overlay products) and therapeutic surfaces for critical care beds, birthing beds, low beds, medical-surgical beds, bariatric beds and accessories for purchase.

Awarded suppliers: Hillrom, LINET, Stryker, Trinity Guardion, Turn Medical

**Patient Bedside Products****Expires June 30, 2026**

This category includes products for patient bedside and personal use including plastic, disposable and biodegradable products (e.g., pitchers, tumblers, carafes, wash basins, utility basins, sitz baths, soap dishes, denture cups, utility bowls, emesis basins, bedpans, specimen pans, medicine cups, specimen containers, liners and urinals).

Awarded suppliers: Care Line, Cleanis, GMAX, Medegen, Medline

**Patient Lateral Transfer Devices****Expires July 31, 2024**

This category includes non-mechanical lateral patient transfer products specifically designed to transfer patients side-to-side from one location to another.

Awarded suppliers: Arjo, HoverTech, Medline, Pelstar, S2S Global, Sage, WyEast Medical

**Patient Safety Solutions****Expires April 30, 2027**

This category includes solutions, products and services that are designed to improve the safe delivery of care to patients in acute and non-acute settings.

Awarded suppliers: CareView, Glytec, ivWatch, MedLite, SCONE

**Orthopedic Soft Goods****Expires November 30, 2024**

This category includes cervical collars, knee braces and supports, back braces and supports, ankle braces and supports, and upper extremity splints and supports for orthopedic applications.

Awarded suppliers: Breg, DJO, Kay Kare, Ossur, S2S Global/DeRoyal, Tetra

**PAPR Systems and Accessories****Expires December 31, 2025**

This category includes powered air purifying (PAPR) systems and their accessories.

Awarded suppliers: CleanSpace

**Patient Beds, Mattresses and Therapeutic Surfaces - Rental****Expires February 28, 2025**

This category includes frames, mattresses, mattress overlays (egg crates, alternating pressure pads, low air loss and static air overlay products) and therapeutic surfaces for critical care beds, birthing beds, low beds, medical-surgical beds, bariatric beds and accessories for rental.

Awarded suppliers: Agilti, Arjo, Custom Medical Solutions, Freedom Medical, Hillrom, Sizewise, Turn Medical

**Patient Cleansing and Skin Care (Bag Based)****Expires May 31, 2025**

This category includes single application products used in the care of patients for hygiene and maintenance of skin integrity that are packaged in a disposable bag. These products include disposable wipes in a bag, "bath in a bag" used at the patient bedside and pre-packaged chlorhexidine gluconate (CHG) wipes.

Awarded suppliers: Avadim, Cardinal Health, Coloplast, Medline, Molnlycke, Omnicare, Sage

**Patient Lifts****Expires July 31, 2024**

This category includes mechanical devices used to assist healthcare workers in transferring patients from one location to another when a patient is unable to actively assist with the transfer or complete the transfer on their own.

Awarded suppliers: Arjo, EZ Way, Hill-Rom, Joerns, Medline

**Patient Scales****Expires March 31, 2027**

This category includes medical scales and patient weighing systems, including digital mechanical scales, digital wheelchair scales, digital/mechanical chair scales and pediatric tray scales.

Awarded suppliers: CHS, Health o meter, Seca, Welch Allyn

# Premier Contracted Offerings

## **Patient Temperature Management Products and Accessories** **Expires December 31, 2026**

This category includes invasive (endovascular) and non-invasive (surface) temperature therapy management products and devices specifically designed to cool, warm or regulate a patient's body temperature as part of a therapeutic treatment regime.

Awarded suppliers: Adroit, Gentherm, Stryker, Zoll

## **Personal Care Kits and Components** **Expires July 31, 2024**

This category includes individual products and/or groups of products which have been packaged in a standard or hospital-specified kit as part of the patient admission process. Product examples include toothbrushes, toothpaste, combs, hairbrushes, shaving cream, single-edged razors, deodorant, mouthwash, patient belongings bags, pens, lotion, shampoo, conditioner, tumblers, carafes and emery boards.

Awarded suppliers: Cardinal Health, Care Line, Medline, Owens & Minor, S2S Global

## **Physiological Monitoring Systems** **Expires May 31, 2027**

This category includes physiological monitoring systems, which consist of central stations, bedside monitors and an ambulatory telemetry system. Depending on configuration, physiologic monitoring systems measure and display waveforms and numerical data for various parameters, including electrocardiography (ECG), respiratory rate, noninvasive blood pressure (NIBP) and invasive blood pressure (IBP), body temperature, arterial hemoglobin oxygen saturation (SpO2), mixed venous oxygenation (SvO2), cardiac output, end-tidal carbon dioxide (ETCO2), intracranial pressure and anesthetic gases.

Awarded suppliers: AirLife, Draeger, Edan, Fukuda, GE, Mindray, Nihon Kohden, Philips, Spacelabs

## **Polysomnography, Neurological Equipment and Accessories** **Expires April 30, 2025**

This category includes polysomnography (PSG) analyzers used to diagnose sleep-related disorders and neurological equipment used to measure the status and function of the central and peripheral nervous systems.

Awarded suppliers: Ambu, Neurovirtual, Nihon Kohden

## **Pressure Infusion Bags** **Expires August 31, 2024**

This category includes pressure infusion bags which consist of a specially-designed cuff and bladder device used to pressurize sterile parenteral fluids (e.g., blood, IV solutions) to provide for rapid infusion of fluids as needed.

Awarded suppliers: EKLA, S2S Global, Salter Labs

## **Peak Use Rental Equipment** **Expires November 30, 2025**

This category includes infusion pumps, heat therapy, incubators, adult ventilators, pediatric ventilators, infant ventilators, patient monitoring, fetal monitors, continuous passive motion (CPM) machines, infant care equipment, enteral pumps, lifts, bariatric specific equipment and respiratory care equipment (CPAP, Bi-PAP).

Awarded suppliers: Advanced Surgical, Agiliti, Avante, US Med-Equip

## **Physical Therapy Products and Exercise Equipment** **Expires February 28, 2026**

This category includes products that allow patients to recover from injury or surgery by aiding in the remediation of impairments and disabilities and the promotion of mobility, functional ability, quality of life and movement potential.

Awarded suppliers: Performance Health

## **PICC and Midline Access Products** **Expires November 30, 2026**

This category includes peripherally inserted central venous catheters (PICCs), midline catheters and supplies.

Awarded suppliers: AngioDynamics, BD, ICU Medical, Neo Medical, Teleflex

## **Post-mortem Equipment and Supplies** **Expires June 30, 2026**

This category includes post-mortem bags, shrouds and any associated capital equipment such as morgue tables, cadaver lifts, trays and refrigerators. These products can be used to cover bodies and contain any bio-hazardous materials after death until the body can be prepared for burial/cremation. Other associated morgue supplies are included in this category such identification (ID) tags, chin straps, bags for personal effects and tools used such as autopsy saws.

Awarded suppliers: Action Health, Busse, E.M. Adams, Owens & Minor

## **Procedure Trays and Needles** **Expires January 31, 2025**

This category includes lumbar puncture trays, thoracentesis, paracentesis, pneumothorax, soft tissue biopsy, myelogram and arthrogram trays, procedure needles, breast biopsy needles (not vacuum-assisted and tethered devices) and specialty needles used for removal of a sample of tissue for diagnostic purposes.

Awarded suppliers: Bard, BD, Busse

# Premier Contracted Offerings

## **Pulmonary Function and Metabolic Analyzers**

**Expires March 31, 2027**

This category includes pulmonary function analyzer equipment, cardio-pulmonary exercise testing systems, spirometers and related consumables associated with the analyzer.

Awarded suppliers: MGC Diagnostics, NIOX, Vyaire

## **Reconstructive Skin Grafting Products**

**Expires March 31, 2027**

This category includes products used for grafting full or partial acute and chronic wounds that are not healing despite treatment with conventional therapies.

Awarded suppliers: Access Pro, Acera, Aedicell, Aroa, BioTissue, Celularity, Integra, KERECIS, MiMedx, Musculoskeletal Transplant Foundation (MTF), Polynovo, ProgenaCare, Sanara, Smith & Nephew, Stimlabs, Synergy, TELA Bio

## **Respiratory Therapy - Respiratory Disposables**

**Expires April 30, 2026**

This category includes products that allow a patient to breathe and exchange oxygen and carbon dioxide throughout the body. Products include oxygen delivery disposables, spirometers, open suction catheters, non-proprietary ventilator supplies, passive humidification devices and high flow nasal cannulas.

Awarded suppliers: Flexicare, Medline, Pulmodyne, SunMed, Sunset Healthcare, Teleflex, Typenex, Vyaire

## **Restraints and Fall Prevention Products**

**Expires July 31, 2026**

This category includes products and programs designed to reduce the risk of patient injury and falls, such as warning systems, monitors, alarms, visual cues, patient restraints or restraining garments and devices that limit physical movement of the patient.

Awarded suppliers: DeRoyal, E.M. Adams, TIDI

## **Safety Hypodermic Products**

**Expires September 30, 2025**

This category includes products used to draw up and administer liquids or medications via intra-dermal, subcutaneous, intra-muscular or intravenous (IV) and that have an attached safety device to prevent accidental sharps injuries. This also includes but is not limited to insulin safety syringes, safety pen needles and Tuberculin safety syringes.

Awarded suppliers: BD, Cardinal Health, Embecta, HTL-STREFA, ICU Medical, MYCO Medical, Remcoda, RTI, Sol-Millennium

## **Sedation Monitoring**

**Expires November 30, 2024**

This category includes monitors and sensors that measure the effects of anesthesia and sedation by monitoring both sides of the brain's electrical activity.

Awarded suppliers: Covidien, Masimo, Respiratory Motion Inc.

## **Pulse Oximetry and Capnography Devices**

**Expires April 30, 2027**

This category includes capital equipment, disposables, sensors and connecting cables used to measure, manage and record a patient's oxygenation levels via an electronic sensor placed on the patient's fingertip, earlobe or, in the case of a neonate, across a foot. It also includes the capital equipment and accessories used to measure expired carbon dioxide levels.

Awarded suppliers: Covidien/Medtronic, Masimo

## **Respiratory Therapy - Medication Delivery and Bronchial Hygiene**

**Expires April 30, 2026**

This category includes respiratory therapy products used for administering medication into the lungs and clearing mucous from the lungs. Products include nebulizers, metered-dose inhaler (MDI) holding chambers (spacers), positive expiratory pressure (PEP) therapy devices and peak flow meters.

Awarded suppliers: Aerogen, D R Burton, Flexicare, ICU Medical, Medline, Mercury Medical, Monaghan, SunMed, Sunset Healthcare, Thayer, Vyaire

## **Respiratory Therapy - Resuscitation Devices**

**Expires April 30, 2026**

This category includes equipment used to maintain the airway of an unconscious or collapsed patient. Products include resuscitation bags, masks and carbon dioxide (CO2) detectors.

Awarded suppliers: Ambu, Flexicare, ICU Medical, Medline, Mercury Medical, SunMed, Sunset Healthcare, Vyaire

## **Safety Huber Needles**

**Expires February 28, 2027**

This category includes safety non-coring Huber needles used to access implantable ports to deliver chemotherapy, antibiotic therapy or parenteral nutritional products to compromised patients requiring multiple or repeated vascular access.

Awarded suppliers: B. Braun, BD, ICU Medical

## **Safety IV Catheters**

**Expires September 30, 2025**

This category includes intravenous (IV) start catheters with a safety device to prevent accidental needlesticks.

Awarded suppliers: B. Braun, BD, ICU Medical, RTI, S2S Global

## **Sharps Disposal Containers**

**Expires April 30, 2025**

This category includes canisters designed for the safe containment of sharps medical waste and related accessories, such as wall mountings and brackets.

Awarded suppliers: BD, Cardinal Health

# Premier Contracted Offerings

## **Shower Sleeve, PICC/IV Covers and Cast Covers**

**Expires May 31, 2027**

This category includes waterproof covers for casts, bandages, wounds, peripherally-inserted central catheter (PICC) lines, midlines and peripheral intravenous (IV) catheters. It also includes reusable PICC and IV covers.

Awarded suppliers: Mighty Well, PSC Solutions, TIDI

## **Skin Breakdown Prevention Products**

**Expires June 30, 2025**
