

# We've evolved. Because business has evolved.

## Who we are — today

Previously known as Office Depot® Business Solutions Division, ODP Business Solutions combines almost 30 years of knowledge and experience with increased agility, flexibility, and innovation in our focus on businesses like yours.

## ODP Business Solutions — evolution

Our business continues to evolve as businesses continue to evolve. As we move forward, our focus on B2B customers is stronger than ever. This includes an increased concentration on private and public sectors that service General Services Administration (GSA) agencies, as well as public agencies (including state, local, and education).

As marketplace demands shift, technology advances, and workplaces want to become more efficient, we are committed to staying competitive, helping better support and empower your employees, and continuing to implement the highest standards as we serve you:

- We help support diversity and sustainability initiatives, as well as help you to enrich and elevate your communities.
- Our products, services, and solutions are designed and delivered based on your requirements.
- Our commitment to helping our customers means you can remain focused on building and evolving your own strategic goals and outcomes.

Now more than ever,  
ODP Business Solutions is  
focused on helping your business  
stay agile, adaptive, and ahead  
of an ever-bending curve. Count  
on us to help you succeed —  
now and in the future.

## How we provide maximum value — now

We stay competitive by providing comprehensive and forward-thinking products and services, accessible reporting tools, a robust supply chain, and customized deliveries. And within our organization is a team of real people, ready to dedicate themselves to your business today.

**Dedicated account team:** To help you improve product and work efficiency, optimize budgets, and stay informed of new and emerging business solutions. We focus on helping you achieve business goals through powerful insights to find the right answers.

**Extensive product range:** With access to leading brands and thousands of OEMs whose quality offerings continuously grow and evolve — plus support that fits your objectives.

**Wide-range of business services:** From office conceptualization and optimization to technology solutions, breakroom planning, and beyond.

**People, planet, and prosperity:** With eco-conscious products, greener services, and a vast roster of women- and minority-owned suppliers to help you achieve your environmental, social, and governance goals.

**Strategic alliances:** Through partnerships that provide access to our wide breadth of products and world-class supply chain at contracted prices.

### **Advanced digital platforms and innovative**

**reporting:** Delivering custom mobile optimization and dashboard analytics and more to propel your experience forward. Leverage a real-time user dashboard and mobile app that provide full access to your purchasing history, financial metrics, and spend tracking.

**Customized order delivery:** Including delivery sizes, subscription services, special handling, and free next business-day delivery available to help you get exactly what you want. We're dedicated to delivering the products and solutions you want in a consistent and timely manner to help eliminate downtime and maximize productivity.

## Offerings — re-imagined

Our core offerings provide an expansive breadth of business solutions that are customized with your business in mind.

### **Stay ahead and connected: technology solutions**

Adapt to the hybrid world with the support and experience of nearly 30 years providing technology guidance and solutions in areas like networking, storage, digital protection, and life cycle management.

### **Design for any space: Workspace Interiors by ODP Business Solutions**

Keep your employees engaged by creating productive and stylish workspaces with our guidance and support, from creative design to installation.

### **Create clean and comfortable environments: Workspace Facilities**

Gain efficiency and prioritize safety, sustainability, and comfort with cleaning and breakroom supplies. Our timely delivery is backed by the supply chain strength of one of North America's largest distributors.

### **Fuel your ideas: office supplies**

Find the supplies you want to help boost productivity of in-office, remote, or hybrid work, and get customized solutions fast and within budget.

### **Expand your brand: print, promo, and apparel**

Take control of brand management with ODP360, a comprehensive platform with easy customization and thousands of products that can help you create marketing materials, apparel, and more.
