ODP BUSINESS SOLUTIONS™
WORKSPACE INTERIORS

Behavioral healthcare furniture solutions

Tap into ODP Business Solutions™ Workspace Interiors

By working with top manufacturers, Workspace Interiors can provide an array of solutions that can help you meet your objectives and provide the value you've come to expect from our healthcare group purchasing organization (GPO) contracts and programs.

Healthcare furniture and services

Workspace Interiors is committed to helping you furnish every area of your behavioral health facility, including:

- Patient rooms
- Waiting and reception areas
- Admin and nurses stations
- Meditation rooms and chapels
- Dining and cafeterias
- Labs and pharmacies
- Exam and treatment rooms

Did you know?

Furniture is our primary focus; however, we also offer lighting, signage, and artwork for your behavioral health facility.

38+ nationwide locations

Furnishing your behavioral health facility for success

Workspace Interiors is a full-service contract furniture dealership with a national footprint. Because we're a provider for a broad range of healthcare environments, we can help you leverage your buying power, maximize your GPO relationship, and eliminate off-contract spend. Look to us to be your dedicated source for furniture solutions and services, including:

- Space planning and specification support
- Project management
- Labor services
- Move management
- Financial services
- Standards programs

In addition, 100% of all product and service purchases are reported to your GPO. Our comprehensive furniture portfolio includes many top brands you've come to know, including:

- 2/90 Sign Systems
- Allseating
- ERG International
- Global®
- **Great American Art**
- **Groupe Lacasse**
- HON®
- Humanscale®
- **Integra**
- Intellicare
- **Intensa**
- **Kimball International Brands**
- Krug
