

# AMERICAN EAGLE INSTRUMENTS

*from* Young Innovations

## XP® SHARPEN-FREE

Innovative XP technology features a wear-resistant edge that lasts as long or longer than traditional stainless steel without having to sharpen.

## TALON TOUGH™ STAINLESS STEEL

Made from premium heat-treated stainless steel, our traditional instruments feature a sharp, long-lasting edge that allows for more time in between sharpening.

## XP® SHARPEN-FREE THIN

The ideal instruments for tight interproximal contacts, narrow pockets, and periodontally involved cases, providing a greater tactile sensitivity.

## QUIK-TIP™ CONE SOCKET SYSTEM

Designed with the hygienist in mind, Quik-Tips offer the availability to discard a single end when it becomes dull without having to replace your entire instrument. Available in both XP Sharpen-Free and Stainless Steel.
