

YOUNG® D-Lish®

5% Sodium Fluoride Varnish

NEW D-Lish® Plus 5% Sodium Fluoride Varnish is one of the fastest releasing formulas on the market, with over 50% of total fluoride released within the first 15 minutes! Available in various package sizes and flavors, D-Lish Plus dries to a natural tooth color on contact. The easy to hold 0.4mL single unit dose packaging includes an applicator brush for convenience to help avoid cross-contamination.
