Available in Classic, Contra, Slim, and Splatter Guard.

Denticator
eco

This slim profile, eco-friendly angle allows for better visibility and is designed for comfort and maneuverability. Excellent stain removal and splatter reduction.

Available in Classic and Contra.

originalgreen™
PROPHY ANGLES

Known for its quality, dependability, and affordable price. This durable propphy angle offers smooth, efficient performance and features a latex-free, 4-web cup for quick and easy cleaning.

Available in Regular White and Soft Green Cup.

diamond
PROPHY ANGLES

Features exclusive diamond cup design that virtually eliminates paste splatter. The longer and deeper propphy cup holds more paste, reducing the number of times the clinician must re-apply during polishing.

Available in Regular White and Soft Pink Cup.

Denticolors™

Offer a smooth performance for maximum comfort with a stylish pop of color! Engineered with superior torque, strength and reliability. Designed to fit all standard nosecone handpieces.

Assorted Colors: Pink, Blue, Purple and Mint.

zoozy

Animal-themed propphy angles can help transform an ordinary dental visit into a captivating encounter—used to engage pediatric patients, making them active participants in their appointment.

Assorted Characters: Flamingo, Cheetah, and Zebra.

BIOTROL™

The Perfect Choice® disposable propphy angles provide dependable US-made quality at an affordable price. The latex-free, soft webbed cup delivers powerful stain removal with reduced splatter.

Available in 100ct and 500ct boxes.
