

Add Turn-Key Eyecare Services to your Health Center.

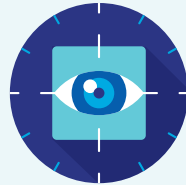

We're thrilled to introduce D.O. ToGo®—your all-in-one Movable Clinic, delivering unparalleled flexibility and efficiency to your Health Center. By integrating our advanced remote-care solution, your Health Center can offer state-of-the-art vision care, enhance patient satisfaction, and boost your clinical quality metrics, all while adding new revenue streams to your practice.

Here's why D.O. ToGo is a must-have for your Health Center:

Remote Examination:

Patients undergo a comprehensive eye exam in under 30 minutes, conducted by a licensed remote optometrist using advanced video conferencing technology.

Real-Time Analysis:

The optometrist reviews subjective visual findings and remotely operates ophthalmic equipment to ensure precise results.

Immediate Prescriptions:

Within minutes of concluding the exam, patients receive an accurate prescription, enhancing convenience and care quality.

Elevate your practice with **D.O. ToGo**—because exceptional patient care knows no bounds!

Movable

This equipment is made to be moved between exam lanes and clinics with ease.*

Two-Table Configuration

Optimize patient flow and throughput with dual power tables.

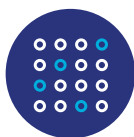

EZ Install/Deinstall

Set up and teardown in 1.5 hrs on each side.

Shipping

Securely ships in hard shell cases for convenience.

Data

Single ethernet connection required in each room.

Footprint

Compact setup for space-efficient utilization.

Local or Remote Care Use

Compatible with remote and onsite doctors.

*A vehicle with a lift gate is required for transportation between clinics.

Compact design with maximum flexibility: D.O. ToGo fits seamlessly into any exam lane configuration.

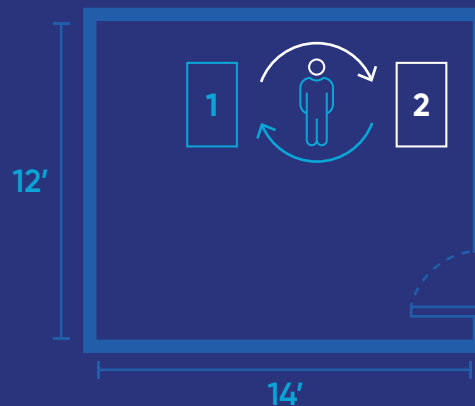

Which **Exam Lane** Fits Your Practice Best?

DUAL ROOMS

Best for high-volume locations, seeing over 10 patients a day.

COMBINED SPACE
